

Event & Project Management

We manage some of the biggest events on regional Queensland's calendar. Whether it's identifying the right sponsorship and partnership opportunities for you, working with suppliers, or developing a cracking promotional strategy we have the resources you need.

We will:

- Focus your event to align with your business goals
- Use our wealth of local knowledge and resources to identify partners
- Secure sponsorship
- Manage promotion and social media
- Create brand and identity
- Develop marketing collateral
- Manage logistics
